LEVEL 4 CERTIFICATE IN EDUCATION & TRAINING

Summary of the **course:**

Level 4 Certificate in Education & Training is aimed for practitioners who are new to teaching or training in the private sector or public sector. The course covers planning, delivery, resource development, assessment methods and inclusive practice.

You will learn from outstanding practitioners who will develop your practical skills as well as offer a broad knowledge into supporting learner needs and using technology in teaching and training to enthuse your learners!

Learning **Objective:**

This qualification develops practical teaching skills and, through the optional units, prepares teachers to work in a wide range of contexts. It requires observation and assessment of practice. It can meet the needs of a range of trainee teachers, including:

- Individuals who are not currently teaching and training but who can meet the practice requirements, including the observed and assessed practice requirements, of the qualification.
- Individuals who are currently teaching and training (including those who have just begun teaching and training) who can meet the practice requirements, including the observed and assessed practice requirements, of the qualification.
- Individuals currently working as Assessors who wish to achieve a teaching qualification.

The objective of this qualification is to confirm occupational competence in a teaching role within the workplace.

Modules:

Mandatory

- Understanding roles, responsibilities and relationships in education and training

Optional:

- Delivering education and training
